Seymour MOMS Group is...

Seymour MOMS group is a ministry of Zion Lutheran Preschool. Our group meets three Fridays per month to fellowship with one another and support each other toward being the best **MOMS** we can be.

The format of the group is somewhat informal with a variety of speakers, podcasts, facilitated discussion, humor breaks, craft opportunities, and plenty of COFFEE. This provides **MOMS** an opportunity to meet together while our children are in school and build supportive, encouraging, and lasting relationships while being equipped with tools to encourage confident and effective parenting.

While our group is comprised mostly of moms who have children enrolled in the preschool this is not required for membership. We welcome all **MOMS** to join in!!

Visitors

We welcome visitors! New members are invited to come and visit our meetings at any time throughout the school year. One "free" meeting is allowed, and then the woman is asked to officially become a member by turning in all registration materials and paying membership fees by her second meeting.

Programming

Children ages birth-to-five are provided childcare while mothers are involved in meeting activities. Children enrolled in the preschool will be placed in their "regular" preschool classroom with their assigned teacher and assistant. Children not enrolled in the preschool will be placed in a childcare room that correlates with their age and ability.

Children and mothers will enter through the YOUTH ROOM entrance of the church building to access MOMS group childcare. After getting children settled in their designated rooms, mothers will meet in the Fellowship Hall with social time, prayer, announcements, refreshments, and presentation.

Every attempt will be made to start on time. Please plan accordingly.

Presentation topics are chosen to teach and encourage mothers. Each meeting focuses on a different aspect of family life, marriage, parenting, faith development, or fellowship. Small group discussions will take place for further sharing. Periodically a simple craft is also made to take home.

Schedule 8:45 am-10:45am

1st Friday – MOMS meeting

2nd Friday – Mom's Day Out (MDO)

3rd Friday – MOMS meeting

4th Friday – MOMS will not be meeting (Children will not be receiving childcare)

Please Note: *With the exception of the MOM's Day Out (2nd Friday) events, if your child is in the building, then moms must be on the premises.*
