The Program

Zion Lutheran School is a place for learning, working and playing within a Christian environment. This means our Christian staff teaches Christ-Centered values through activities and planned experiences. A Christian school plays an important role in a child's early education, because it strengthens and supports the parenting process.

We are a Christian school providing a nurturing atmosphere for your child. We strive for developmentally appropriate practices in all of our learning activities. Jesus is the Master Teacher. His love and forgiveness is portrayed throughout our educational experiences.
