Extend Care

Zion Lutheran School provides a summer daycare setting Monday through Friday of each week, through its Extend Care programs, to children ages 2 years through 3rd grade that are enrolled in one of our classroom settings and their siblings.

For planning purposes, advanced registration must take place by those intending to use these services.

Extend Care program will be filled based on registration receipt date.

This program is a very popular program with our families and the last three years we have not been able to accommodate everyone, with several being on a “waiting list”. Thus register early for this program!

The Program

Zion Lutheran School is a place for learning, working and playing within a Christian environment.

Likewise, while outside the classroom setting, our Extend Care program is one in which our Christian staff provides daycare needs in a Christ – Centered environment and means.

Knowing that Jesus is the Master Teacher, even in our social development and maturity, we provide a nurturing atmosphere, as well as, provide for the day to day daycare needs of your child.
